Prepare a Meal

	Option #1: Drop-In Program	Option #2: LifeChange Program
Client Interaction	Volunteers will drop off the boxed meals and therefore will not interact with guests of the Drop-In Program.	Volunteers usually eat with residents of the LifeChange Program, however it is certainly not required. If volunteers choose to interact with the residents, please be sensitive to their privacy and do not ask questions about their life story or attempt to witness to them. (They engage in gospel-centered counseling, devotionals, and classes multiple times each day with staff.) Instead, talk about neutral topics like hobbies, sports, movies, music, books, food, popular culture, current events, hometowns, weather, etc.
Spiritual Beliefs	Volunteers must either be in full agreement with <u>or</u> agree not to be divisive about Re:Center Ministries' core values, statement of faith, and philosophy of ministry.
