

Re:Center Ministries

## Adopt-a-Month

### Overview

Adopt-a-Month partnership is an opportunity to support the mission of Re:Center Ministries by sponsoring a month of supplies through hosting a donation drive.

### Who We Are

Re:Center Ministries exists to reconcile homeless and hurting people to God, family, and community by the power of Christ in partnership with the local church. We do this by meeting both the spiritual and physical needs of those we serve.

### The Need

On average, Re:Center Ministries serves anywhere from 80-100 people on a daily basis. This creates a high need for many regularly used household items such as cleaning supplies, coffee supplies, clothing items, etc. We need help to be able to provide these items for those in need that come through our doors!
